

# Alexandria Area Arts Association

*Miles from New York... Right on Broadway!*

Happy Holiday's from Alexandria Area Arts! Though there is just a sprinkling of snow on the ground, we are in full swing for the holiday season!

It is also membership time at the AAAA. When you become a member of the Alexandria Area Arts Association, you not only receive member benefits, and the opportunity to vote on key issues relating to the future of the organization, but you become part of the community of supporters who are passionate about the arts and are committed to maintaining the proud history and tradition of community theatre and quality entertainment in West Central Minnesota.

The future of the AAAA is very bright, and we invite you to join our family and help us shine! Several changes are coming in 2012, including new ways to be a part of the excitement of live theatre. During 2012, our membership cycle will change to match our season and our season ticket cycle. Don't worry - this doesn't mean you'll have to pay two memberships this year. When the transition occurs, our members will have the first opportunity to renew at a pro-rated discount. These new membership packages will have even greater member benefits, and your membership will be good for the entire season! We will also be introducing a new ticket pricing structure that provides discounts to seniors and students, as well as introducing a new season ticket option - the Flex Ticket, which you can use however you want!

All this, and much more awaits you in 2012. We invite you to become a member. I also invite you to stop in and meet Dave, Barb and myself... if you haven't already. We also invite you to our two last presentations of 2011, The Nutcracker Ballet on December 9 and Holy Bells: A Deer Camp Christmas on December 15. There is something for everyone at the AAAA this holiday season.

Thank you for your support and thank you for being part of the exciting future of the Alexandria Area Arts.

See you on stage,

Benjamin Klipfel, Executive Director
